This thinking seems sound to me, though it should of course be guided by the legal advice you receive.

I'm very curious about the 30-day action window.

Our next meeting is scheduled for Tuesday, June 12. I'll be posting an agenda by tomorrow afternoon to conform with the Brown Act.

Depending on what YMC says, I'm thinking we can host a Special Meeting directly after the regular meeting to address this letter. That would give us until Monday at 5:59pm to further research our obligation to respond and post the agenda for a Tuesday action.

You've taken the right first step. Will look into other examples. This is the first I'm seeing of this, but I'd wager you're not alone.

Hi Keith and Josue,

I just received this letter from the Law Office of Bush Gottlieb. It outlines perceived Brown Act Violations. More importantly, it claims that our April vote on the Prop. 39 FUA should be invalidated.

I have Cc'd our Board Chair, Ana Lasso.

Can you please review and let us know how to best proceed? Have other schools being protested received similar letters? Would love to hear how they addressed the matter.

I will also be forwarding this letter to our legal counsel at YMC.

Sincerely,

Ruben
